**What:**  
Games - this year we are planning to have two division for the boys (school and travel team and two division for the girls (same school and travel). Divisions will not cross over . this will result in a champion in each of the four divisions (Boys School, Boys Travel, Girls School and Girls Travel) Each team will play at least two games and possibly up to four games based on the number of entrants in each division.  
Games will be officiated by two CIAC certified referees. Each game will have four – 6 minute quarters. In the case of a tie three-minute overtimes will be used to determine a winner. For the tournament there is no mercy rule, however coaches are expected to use good sportsmanship if point spreads are significant. Although there is no MINIMUM playing time limit all players are EXPECTED to get in each game.

Awards - trophies will be awarded to the top four teams.

Tournament Entrance Fee: \$ 120.00 per team.

Team trophies will be awarded for 1<sup>st</sup> through 4<sup>th</sup> Place as well as individual trophies for each member of the Championship Team (boys and girls).

## **Game scheduling:**

Since this is a relatively early season tournament it is difficult to anticipate which teams are the strongest. As such coaches will be asked to make a fair assessment of their team in an attempt to set up the first round. Obviously the goal is to prevent two of the top teams playing each other in the first round.
